### **Bunkers or Bunkum!**

To build a bushfire bunker or not, that is the question!

At least, it will be the question at the Warrandyte Community Association 'Bunkers or Bunkum' Workshop which will invite local residents, fire experts and fire bunker manufacturers to share their experiences, designs and concerns.

'Fire bunkers are quite controversial and this will be an opportunity to explore the pros and cons, said WCA President, Dick Davies.

The workshop, part of the WCA 'Be Ready Warrandyte – Living with Bushfire Risk' program, will be held on Thursday 19<sup>th</sup> September 7.00-9.00pm at the Warrandyte Community Church.

The WCA 'Be Ready Warrandyte' project was funded by a Victorian Government's Fire Ready Communities Grants Program. Manningham Council, Nillumbik Council, the Warrandyte Community Bank and the Community Market Committee have also provided funding support.
